Honors Core Exemptions

FORM on
registrar's
website

First year students and sophomores in the Honors Program may apply up to 9 credits towards the Methods of Inquiry section of the Core Curriculum for completing HON 102, HON 201 and/or HON 202. Exemptions can only be applied for completed coursework. If you are currently enrolled in coursework that qualifies, you will need to submit another form upon completion of that coursework.

NOTES:

- FYS 101H does not count towards the exemption
- All students must fulfill the Scientific Thought/Lab core requirement
- HON 201 will fulfill the Global Perspectives requirement automatically, but may also be used for another exemption
