COUNSELOR EDUCATION AND SUPERVISION PH.D.

HOOD.EDU/CES

“In our program, faculty who are currently working clinically in the field combined with the innovative NeighborHood Counseling Training Center provide exceptional hands-on training in furthering clinical and supervision skills for our doctoral students.”

*Shannon Shoemaker, Ph.D.,
program director*

COUNSELOR EDUCATION AND SUPERVISION AT A GLANCE

The Doctor of Philosophy in Counselor Education and Supervision at Hood College is dedicated to producing proficient and empowered counselors, supervisors and counselor educators. Grounded in the values of inclusivity, social justice and collaboration, our 60-credit doctoral program will equip you with advanced skills and knowledge to lead in both clinical and academic settings, contributing to the well-being of individuals and communities alike. You will be poised to train the next generation of mental health professionals, as you shape the future of counseling and education.

UPGRADE YOUR EDUCATION

CROSS-DISCIPLINARY TRAINING

Coursework in counseling, supervision, teaching, research and scholarship, leadership and advocacy, and more will expand your master's program experience to the next level.

DISSERTATION

You will conceptualize, research, write and defend your dissertation, which will be based on your own unique personal and professional goals in collaboration with faculty advisement.

NEIGHBORHOOD COUNSELING TRAINING CENTER

Demonstrate your clinical counseling and supervision skills, as you gain hands-on experience working with real clients at the Neighborhood Counseling Training Center, which provides mental health services to the community.

ACCREDITATION

Our program is based on guidelines set by the Council for Accreditation of Counseling and Related Educational Programs (CACREP) and is pursuing accreditation.

CAREERS IN COUNSELOR EDUCATION AND SUPERVISION

STRONG OUTCOMES

The Bureau of Labor Statistics projects high employment rates for both counselor educators and supervisors, with postsecondary health specialties teachers expected to grow 19% and medical/health services managers expected to grow 28% by 2032.

BROAD APPLICATION
