

Hood College Scholars' Day 2025

We are thrilled you will join us on-campus for Hood College's Chair of the Board Scholars' Day on Saturday, February 15 at 9:30 a.m. EST

Explore the event agenda at hood.edu/scholarsday.

Your visit will begin at the Whitaker Campus Center. Please plan to arrive by 9:30 a.m. Parking is available just outside this building as indicated on this map. Once you enter the building a member of our staff will greet you. During the event a light breakfast and a full lunch will be provided.

If you'd like to meet with our financial aid office after lunch (and didn't indicate this on your registration form), please let us know at visits@hood.edu.

Here are some things to keep in mind as you choose your attire for the day: your visit will begin with a headshot photo followed shortly by your scholarship interview and elevator speech. Additionally, we will be walking around campus to different locations during your visit. You are not required to bring along additional resumes or other materials. We will provide you and your family members with agendas, handouts, pens, etc.

IMPORTANT FOR GUESTS WITH SEVERE FOOD ALLERGIES AND/OR DIETARY RESTRICTIONS:

Food will be served during this event and part of the programming will take place in our dining hall. Please reach out to visits@hood.edu if you have a food allergy that prevents you from entering spaces where certain ingredient(s) are used/present. If you have a food allergy, sensitivity or other dietary restriction please let us know at visits@hood.edu and we will work with our dining services team to accommodate your needs to the best of our ability.

If you have specific questions about Scholars' Day, please contact us at 301-696-3400 or admission@hood.edu.

We look forward to seeing you on campus soon!

Nikki Bamonti '00 M.A.'24 C'23

Interim Vice President for Enrollment Management

Hood College

Inclement Weather Procedure:

If there is inclement weather on Feb. 15 this event will be moved to Feb. 22. We will reach out to you by text and email should the event date change.
