

The OptumRx App

Simplifying the online pharmacy experience

With the OptumRx[®] App, managing prescriptions is quick and convenient. Easily refill or renew home delivery prescriptions or transfer retail prescriptions to home delivery services in a few easy steps. You can also compare medication prices and save on lower cost options — all from a smartphone or tablet. Consumers love the thoughtful new design that makes it a snap to navigate.¹

The OptumRx App makes it easier for consumers to manage prescriptions

Simple

Consumers can access a complete profile of their recent and past prescriptions in a concise format.

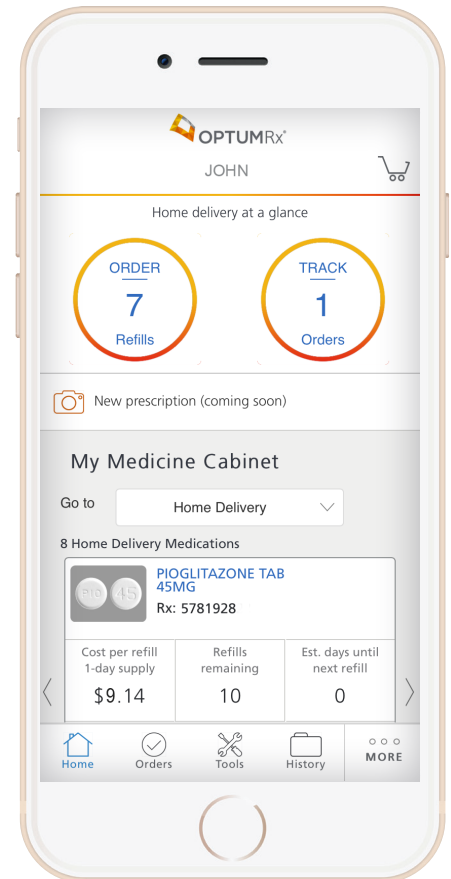

Smart

Quick access to real-time benefits and drug coverage information. Member tools offer the ability to compare drug pricing, find a network pharmacy, view pharmacy ID cards² and more.

Seamless

Consumers can receive automatic home delivery refills and enroll in push notifications to remind them when medications need to be refilled or when it's time for them to take their medication(s).

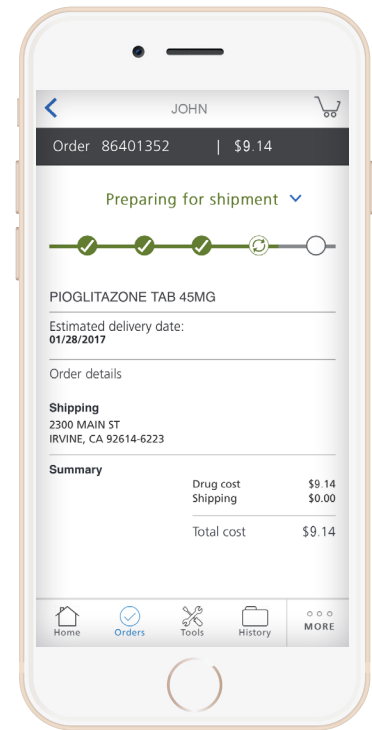

Download the **OptumRx[®] App** from the Apple[®] App Store[®] or Google Play[™].

Key features include:

- Simple medication dashboard
- ID card access²
- Quick checkout
- Easy-to-find search tools with site tutorial
- Drug pricing for home delivery and multiple retail pharmacies
- Ability to transfer a retail script to home delivery
- Refill reminder setup and push notifications
- Multiple pharmacy locator
- Real-time order tracking and payment information
- Ability to scan a new paper prescription or barcode for home delivery³
- Household management: medication access for designated caregivers or family members³
