

Academic Online Tutoring

What tutoring services are available during the fall 2020 semester?

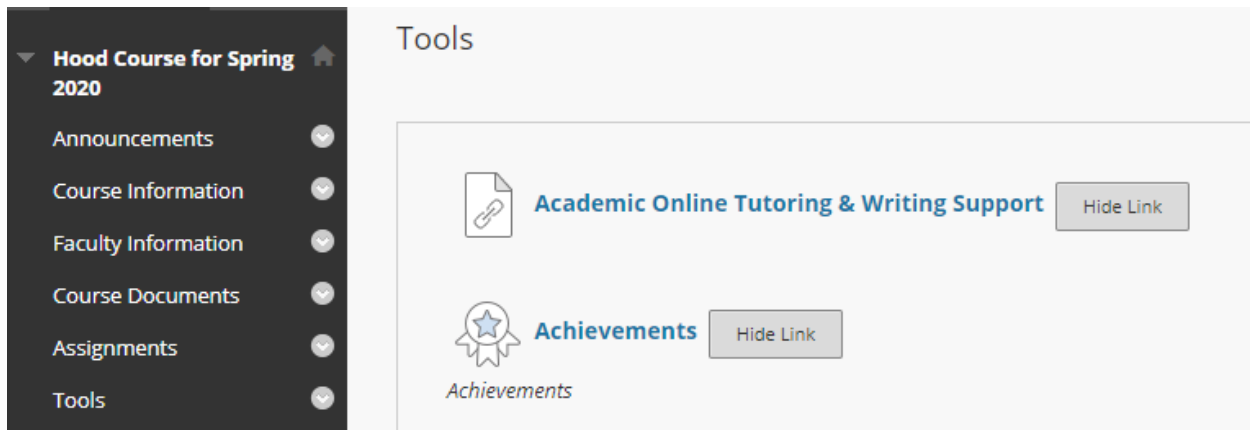

Students have access to **Thinking Storm**, our professional online tutoring service. We will also have limited peer tutoring available through zoom.

Should I continue to use Tutor Trac to schedule peer tutoring appointments?

No, Tutor Trac is not available, and all tutoring appointments will be scheduled through Thinking Storm.

How do students access the online tutoring?

All students can access online tutoring and scheduling in each of their classes in Black Board. It is located under “tools.” It should be the first icon on that page. After you click on this link, you will be connected to Thinking Storm and be able to choose the subject. You will also be able to choose if you want to schedule a future appointment or “drop-in” tutoring. You can access Thinking Storm 24/7, and it offers convenient evening and weekend hours for students with busy schedules.

What subjects are available for tutoring?

Online tutoring is available in science, nursing, French, Spanish, statistics, business, math, global studies, computer science, and writing. Tutoring in history and sociology is available through the writing center. There is also ESL support in the writing center.

Do students have unlimited hours of free tutoring?

Currently, students have up to 10 hours of free tutoring.

Who do students contact if they need technical help with Thinking Storm online tutoring?

Students can contact Thinking Storm Support at 877-889-5996 or care@thinkingstorm.com.

Can students access Thinking Storm through their Blackboard app on their phone?

Yes, however, a device with a larger screen is recommended as the small screen tends to limit the utility of the whiteboard tools.

How can I show my instructor that I attended a session?

You can take a screenshot of the in-progress appointment or reviewed essay and submit that to your instructor, or the instructor can reach out to Student Success for confirmation.
