D = Doctoral Students

A = Alumni – Post Baccalaureate, Post Graduate

A2LA (I, FT, U, G, D, A)

5202 Presidents Court Suite 220 Frederick, MD 21703

www.a2la.org

Industry Focus: Accreditation

A2LA offers three main service: Accreditation, Training and Membership. A2LA is the only independent, 501(c)3, non-profit, internationally-recognized accreditation body in the United States that offers a full range of comprehensive laboratory and laboratory-related accreditation services and training. Established in 1978 as a non-profit, public service membership society, A2LA is dedicated to the formal recognition of competent testing and calibration laboratories, inspection bodies, proficiency testing providers, and reference material producers.

Joint Program Executive Office for Chemical Biological Radiological and Nuclear Defense (JPEO-CBRND) (FT, U, G, A)

1564 Freedman Drive, Fort Detrick, MD 21701

<https://www.jpeocbrnd.osd.mil/>

Industry Focus: STEM / Medical Countermeasure Development / Federal Government

The Joint Program Executive Office for Chemical, Biological, Radiological and Nuclear Defense (JPEO-CBRND) exists to manage our nation's investments in chemical, biological, radiological, and nuclear (CBRN) defense equipment. Having "Joint" in our title clarifies we support all Services. For example, we provide protective masks to the soldiers walking the streets of a battle torn country and also our Airmen flying in our skies. We also work closely with various government agencies that need CBRN defense equipment. Our headquarters is located in Aberdeen Proving Ground, Edgewood Area, MD, but we have offices across the United States. There are three unique joint project management offices which manage the acquisition of CBRN equipment as enablers to achieving the National Security Strategy and supporting the U.S. Armed Forces as well as four joint project lead offices. As you scroll through this website you will gain a clearer understanding of our unique structure and the capabilities the programs. Please visit the "Who We Are" tab to learn more about the Joint Project Management Offices for CBRN Protection, CBRN Medical, and CBRN Sensors.

Graduation Status: Junior, Senior, Graduate, Alumni

CPT/OPT: US work authorization is required, but the employer is willing to sponsor candidates, case-by-case basis

Veterans Preference: EOE

FDM Group (FT, U, A)

1805 Library Street, Reston VA 20190

<http://www.fdmgroup.com/>

Industry Focus: IT

FDM Group is an award-winning FTSE 250 company with a global footprint and over 200 market-leading clients. FDM has over 4,000 employees from a diverse range of backgrounds working in North America, EMEA and APAC. FDM consultants work on client sites to support specific business objectives within various sectors, including financial services, media, retail, government, insurance and more. The FDM Careers Program launches your career in IT and business consulting. As a professional development program, we eliminate the “catch-22” hurdle of qualifications without experience, providing the combination of quality training with invaluable commercial experience and the opportunity for rewarding career progression. The program features training and placement opportunities in a number of areas of technical and business specialty, followed by a minimum of two years of employment working on one or more client sites. Our training and ongoing on-site support equip our consultants to make a difference on client projects from day one. With 75+ nationalities working together as a team and 50% of the management team being women, FDM has firmly established itself as an inclusive employer that champions diversity in the workplace.

Harpers Ferry National Historical Park (V, I, U, G, A)

P.O. Box 65, 485 Filmore Street, Harpers Ferry, WV 25425

www.nps.gov/hafe

Industry Focus: Government – Local, State & Federal

Harpers Ferry is a hidden treasure in the national park system! Harpers Ferry National Historical Park is located at the confluence of the Potomac and Shenandoah rivers in WV, MD, and VA. The park consists of almost 4,000 acres, 20 museums and exhibits and 20+ miles of hiking trails. The Appalachian National Scenic Trail, Potomac Heritage National Scenic Trail, and the Chesapeake and Ohio National Historical Park intersect here. Topics reveal connections between history and landscape, the influence of the Industrial Revolution, the impact of John Brown's raid and the Civil War on the community and the nation, and the continuing struggle to achieve the American ideal of freedom and equality. We offer Internships in a wide variety of fields to fit your studies or interests. We offer flexible Internships to work with your class schedule during the school year.

Thiru for Baltimore Mayor 2020 (V, I, U, G, A)

602 N. Howard Street, Baltimore, MD 21201

www.thiru2020.com

Industry Focus: Government, Politics, Journalism

About Thiru for Baltimore Mayor 2020 Thiru is running for Mayor of Baltimore because he sees Baltimore's potential and has a bold, substantive vision for its future. Together, we have the opportunity to simultaneously fight crime and end the bloodshed, fix our schools, and repair our economy so this city can become the city it is destined to be. Baltimore may not be the greatest city in America anymore—but it can be. With your help, we can work to rebuild trust in public officials and city government, and forge the most innovative and transparent mayor's office in the country.
