

# 2022-2023 Verification Worksheet (Dependent)

## INSTRUCTIONS

Your 2022–2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, we are required to ask you to confirm the 2020 income information you reported on your FAFSA. In the Verification process, we will compare your FAFSA with your answers on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. **After reviewing your information, we may ask for additional information.** If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
