\*The Registrar will continue to re-register students each semester for theses, capstones, fieldwork and research projects as "IP" (In Progress) until a final grade is submitted. Students are responsible to pay the Graduate School comprehensive fee each fall and spring semester until the project is completed.

#Students who enroll in a thesis must also submit a signed cover sheet with this form and the written proposal. The signed cover sheet may be used for approval signatures in lieu of physical signatures on this form.

+Students who enroll in a 6-credit course will be registered and billed for all six credits in one semester. Credits will not be split over the course of multiple semesters.

**Thesis Registrations:** Students who enroll in the master's thesis for Biomedical Science, Ceramic Arts, Environmental Biology and Humanities will enroll in the 580A section with this form for 3 credits, and will enroll themselves in the 580B section for 3 credits for a subsequent term. Students must have successfully completed and earned a grade of "S" for 580A before enrolling in 580B. The Registrar will continue to re-register students each spring and fall semester for 580B as "IP" (In Progress) until the thesis is completed and a final grade is submitted. Students are responsible to pay the Graduate School comprehensive fee each fall and spring semester until the project is completed.

**All registrations for the current semester must be completed and submitted before the end of the DROP/ADD period. Students may enroll for a subsequent semester during the regular open registration period.**
