

Hood College
Declaration of Major/Minor/Certificate

Name: _____ ID: _____

Current Advisor: _____ Current GPA: _____ Expected Grad Date: _____

An academic department may refuse to accept as a major, or may drop as a major, a student whose GPA in the discipline falls below 2.0.

Departments may require students to provide an unofficial copy of the Hood transcript, which is available through Self Service.

Students should review all available majors and corresponding concentrations/focus areas in the College catalog (www.hood.edu/registrar).

Single Degree: 124 credits	BA _____	BS _____	BSN _____
Double Major: 124 credits	_____	_____	_____
Double Degree: 154 credits	BA _____	BS _____	BSN _____

Education Department Chair Signature: _____

PreK-12 or Secondary Education Advisor: _____

4Plus Programs (see reverse side for details)

I am interested in a 4Plus program in: _____

Minor Declaration – Minors require a minimum of 15 credits, 12 of which must be outside of the major and 9 of which must be taken at Hood

First Minor: _____ Second Minor: _____

Certificate Declaration – See College catalog for available options in foreign language and music

First Certificate: _____ Second Certificate: _____

4Plus – Undergraduate/Graduate Dual Degree Programs

The 4Plus undergraduate/graduate dual degree programs allow students in most cases to complete both the bachelor's and master's degrees in an accelerated format. An undergraduate cumulative GPA of at least 3.0 is required for acceptance into the 4Plus program path.

The **MBA** degree is available to students from any undergraduate major who complete the recommended coursework during the final 2-3 semesters of their undergraduate degree, often allowing the MBA to be earned with just one additional year of study (summer included).

Some master's degree programs allow undergraduate students to complete master's degrees in a shortened time by permitting up to nine (9) credits of graduate coursework to be applied towards both degrees (bachelor's and master's). A minimum grade of B in graduate coursework is required for transfer to a graduate program. Current programs available for this option are:

- B.A./M.S. in Environmental Science/Environmental Biology
- B.A./M.S. in Biology/Biomedical Science
- B.A./ M.S. in Biochemistry/Biomedical Science
- B.A./M.S. in Sustainability Studies/Nutrition
- B.A./M.S. in Psychology/Counseling
- B.A./M.S. in Art Therapy/Counseling
- B.A. (any major) or B.S./M.S. in Cybersecurity
- B.A. (any major) or B.S./M.S. in Information Technology

Students should consult with their academic advisor and the graduate program director by their sophomore year for more information and accurate schedule planning. You can view more information at www.hood.edu/4plus

Indicate your interest in pursuing a 4Plus program on the front of this form and the registrar's office will follow up with next steps.
