

Campus Clear Installation Instructions For Apple and Google Mobile Devices Revised 07/29/2020

1. Download and install the CampusClear App:

Apple App Store Download Link:

https://apps.apple.com/app/campusclear/id1516163872?l

Google Play Store Download Link:

https://play.google.com/store/apps/details?id=com.campusclear

2. Launch the CampusClear App and review the following terms and conditions.

Recent research has shown that daily selfreporting of symptoms, used in tandem with campus policies and procedures, can have a meaningful impact on keeping populations safe. Read the Research.

**#CampusClear** is a 1-question daily selfsurvey that takes less than 10 seconds to complete.

# **How it Works**

Each day, via the app, your school will present you with a single question. All you do is answer honestly. After you submit your answer, the app will either present you with a campus "FastPass" (your green light to visit campus) or inform you of the next steps you need to take.
